Re: John Jackman

To Whom It May Concern:

I have had the privilege to know and work with John Jackman in a variety of capacities for more than 30 years. In addition to being a man of high integrity, John is one of the most creative people I know. This creativity comes out in a variety of ways, but the one I most appreciate is in his eloquent delivery of a verbal presentation. Whether the audience be children or adults, you can be sure everyone will be paying attention and leave with a message they can apply in their lives.

I would be most happy to discuss John's talents with anyone who might be interested in using his services. Obviously, I give him my highest recommendation.

Sincerely,
